When you call Mudge Fasteners, you talk to nice people who know fasteners.

Our experts will help you with anything you're building, including the tools. And we deliver off-the-shelf to southern California customers. You get the parts you order when you need them, on time.

“Reliable - they always get the order right.”

- Steve Lopez, Fender Musical Instruments

Call now to get a free stainless steel screw gauge with your first order. You'll stop guessing about bolt sizes, metric or English. We have a limited supply of gauges, so call today to make sure you get yours.

Haven't you suffered with delivery screw-ups long enough? Phone **(951) 270-1360** or **(800) 634-0406** to get the right parts on time. Or write your name and number below, and **fax** this card to **(951) 273-0110**. Our helpful staff will call you back right away.
